POSTAL STUDY PACKAGE
for Session 2020-21

- CSE
- ESE
- GATE
- PSUs
- SSC-JE
- RRB-JE
- State Engineering Services Exams

Postal Study Package is the distance learning program designed to meet the needs of the college going students, working professionals and those who are unable to join the classroom courses. The study material is compact yet comprehensive & effective and easy to understand. MADE EASY has made all efforts to provide an error free material introducing smart and shortcut techniques for better understanding.

Salient Features of Postal Study Package

- Full Emphasis on both technical and non-technical aspects (Including GS, Aptitude, Reasoning and Engineering Mathematics).
- Subjectwise Theory and practice sets.
- Previous year questions along with solutions.
- Revised and updated study material.
- Proven track record of making students succeed.

Feature:

- Well illustrated pointwise theory
- Supplemented with solved examples
- Practice questions with detailed solutions
